

## A Guide to joining the Club via British Cycling.

We have found that new members sometimes follow the online instructions and find that they have only joined British Cycling and not the Club itself. You do not need to join British Cycling to be a member of Newbury Velo, however, as a BC member you will have access to discount codes and liability insurance when you are cycling. Choose the option that is best for you.

Start by clicking the 'Join Now' button on our website. That will navigate you to the club page on the British Cycling Website. It looks like this:

	Price	Age	Membership required?	
<b>Annual Adult Membership (to end of December 2024)</b>	£20.00 +£1.00 application fee	16 - 120	No British Cycling membership required	<b>BUY MEMBERSHIP</b>
<b>Annual Junior Membership (to end of December 2024)</b>	£10.00 +£1.00 application fee	8 - 15	No British Cycling membership required	<b>BUY MEMBERSHIP</b>
<b>Annual Velomites Membership (to end of December 2024)</b>	£1.00 +£1.00 application fee	0 - 7	No British Cycling membership required	<b>BUY MEMBERSHIP</b>

Choose the membership option that fits your needs by way of age. You will then be taken to the Buy Club Subscription page:
